

Georgetown Homeschool Group 2017 Expo

Construction

Construction Competition

Categories:

Wood

Other (i.e. stone, metal)

Construction will be limited to K and up. Students are limited to ONE entry per category.

Rules for Construction Competition:

- Each entry must have been constructed within the past 12 months.
- All work should be done by the student and/or under the supervision of an adult.
- An index card must accompany each entry. Please include student's name, grade, and category.
- Student's name should not be visible on entry.
- Students are encouraged to build entries from "scratch". Entries built from kits will be accepted.

Participants will be judged by the following guidelines:

Workmanship (40pts)

- General appearance
- Appropriate materials
- Attention to detail
- Age appropriate work (How much does it look like Mom and Dad helped?)

Complexity (20pts)

- Difficulty of project
- Unique construction materials
- Multiple tools used
- Multiple steps to complete

Finishing Touches (15pts)

- Project complete
- Painting/sanding, if needed

Interview (25pts)

- Tell me about your project
- Where did you get the idea?
- How long did it take to make?
- Did you have any help?
- Did you make any changes along the way? Why?
- What was the best part of constructing this project?
- Do you like how it turned out?
